Treasurer's Report: Motion made by Buddy K9JBA and seconded by Gerry WG9Z to accept the treasurer's report as printed in the SARA Slip. Motion passed.

Repeater Committee Report: Leroy KB9JNO reported that there had been problems lately with the 146.640 Herrin repeater and after some inspection discovered a bad duplex receptacle that was causing the power supply to be intermittent. Leroy also spoke about issues with the 146.880/147.090 linked repeaters with the I.D. blocking input signals while identifying. Leroy felt reprogramming should get rid of those issues.

Skywarn Report: Kenny KB9KC commented about recent hit and miss storms in the area where some people had severe storms and others had nothing.

Old Business: N9VKO Bob stated that the annual SARA Christmas Party has been scheduled for Friday December 8th at 7:00PM at The Grecian Steakhouse in Pinckneyville this year. There is a meeting/party room that will accommodate 30 people and there is no charge for the room if everyone has a meal.

Kenny's e-mail is kenkb9kc@gmail.com. and Bob's is n9vkobob@frontier.com Bob N9VKO stated that he was working to insure that there will be porta-potties and deliveries of water and ice at Millstone Lake dam. That spot is

not an official aid station but at very critical location on the course for the runners. Leroy KB9JNO spoke about his and Roy KB9ORF's experiences there when they volunteered for that location.

Tom stated that using FT8 on 60 meters has no clear rules from the FCC at this time.
